I am indebted to Ajarn Melvyn Sharman who willingly edited this text and provided helpful criticism as well as encouragement during the writing of this book.

My gratitude also goes to Ms. Waranya Navarat Na Ayudhaya who painstakingly typed and formatted this book.

Thanks, too, to my family for their support. Also, a special note of thanks to my two beloved brothers, Torkiat Ngerkong and Tongtiew Patisung, for endless support and encouragement.
