

ACKNOWLEDGMENTS

I am indebted to Dr. Laurence Eamshaw who energetically edited **this** text and **unrelentlessly** provided helpful criticism as well as encouragement during the writing of this book.

I am also grateful for the help and advice of **Ajarn** Francis Mausley in the early phase of writing this text.

I want to thank Associate Professor Patcharee Palawongse and Associate Professor Yaowaluck Tantanapomchai for their encouraging words and spiritual support regarding my academic and intellectual growth.

This book is nicely and gracefully corrected and adjusted by a friend who is a computer experts, Ms. Wilaipom Supkrasaesin. Please accept my sincere thanks.

Thanks, too, to my family for their love, support and plenty of smiles. Also, a special note of thanks, to my husband, Mr. Nopadon Tongra-ar, for endless understanding and encouragement.
